

Description of Permissive Change

The application is prepared for FCC Class II Permissive Change (FCC ID: 2AWAYSFCS1, Grant Date: 12/20/2021). The detail differences compare with original have been listed as below:

1. Panel and main board design was upgraded to accommodate new power IC, crystal and TPM IC which foot print were different from original sources.

PCB layers, PCBA size and WiFi design remained the same. Theses components and functions do not affect RF performance.
