

TIGER&ROSE

Model No.: Tiger&Rose P8

User's Manual

Bluetooth Earphone

IMPORTANT SAFETY INSTRUCTIONS

- 1. Only use attachments / accessories specified by the manufacturer.
- 2. Long-term exposure to loud music may cause hearing damage. Avoid extreme volume when listening to music, especially for extended periods of time. The continuous use should be less than an hour.
- 3. Do not use the earphones while operating a motor vehicle or a bicycle. Doing so is dangerous and may violate local laws and regulations.
- 4. In some conditions, static electricity can cause ear tingling, this is not a product malfunction.
- 5. Do not drop, sit on, or allow the earphones to be immersed in water.
- 6. If you don't feel comfortable after wearing the earphones, please refer to professional doctor for advice on whether or not the earphones are suitable for you.
- 7. Avoid prolonged exposure to the sun, high temperatures, high humidity and dustiness when storing the earphone to protect the wire and ensure normal use.

1

WARNINGS/CAUTIONS

- To avoid accidental ingestion, keep the earphones away from small children and pets. The earphones contain a Li-polymer battery, and may be hazardous if swallowed. If ingested, seek medical attention immediately.
- When not in use, store the earphones in the charging case with the lid closed, and keep out of reach of children and pets.
- Do NOT use the earphones at a high volume for any extended period.
- To avoid hearing damage, use your earphones at a comfortable, moderate volume level.
- Turn the volume down on your device before placing the earphones in/on your ear. Turn the volume up again only until you reach a comfortable listening level.
- Use caution and follow applicable laws regarding the use of earphones while driving. Some jurisdictions impose specific limitations, such as single ear piece controls, while driving. Do not use earphones while driving. DON'T use the earphones for any other purpose while driving.
- Focus on your safety and that of others if you use the earphones while engaging in any activity requiring your attention, e.g. while riding a bicycle or walking in or near traffic, a construction site or railroad and follow applicable laws regarding earphones use.
- Do NOT use earphones to completely adjust your volume to ensure you can hear surrounding sounds, including alarms and warning signals.
- Do NOT allow small children to use the earphones.
- Do NOT submerge or expose the earphones to water, including water, or wear while participating in water sports, e.g. swimming, water skiing, surfing, etc.
- When using this product, basic precautions should always be followed, including the following:
 - Read all the instructions before using the charging case.
 - Do not use the earphones or expose a charging case to fire, or excessive temperature.
 - Exposure to fire or temperature above 212°F, 100°C may cause explosion.
 - Have the earphones repaired by a qualified repair person using only identical replacement parts.
 - Keep small parts, which may be a choking hazard. Not suitable for children under age 3.
- This product contains magnetic material. Consult your physician on whether this might affect your implantable medical device.
- Do NOT make unauthorized alterations to this product.

2

- Do not use the charging case in excess of its output rating.
- Do not use a charging case that is damaged or modified. Damaged or modified batteries may exhibit unpredictable behavior resulting in fire, explosion or risk of injury to persons.
- Do not disassemble the charging case. Incorrect reassembly may result in risk of fire or injury to persons.
- Do not drop, sit on, or expose a charging case to fire, or excessive temperature.
- Exposure to fire or temperature above 212°F, 100°C may cause explosion.
- Have the earphones repaired by a qualified repair person using only identical replacement parts.
- Keep small parts, which may be a choking hazard. Not suitable for children under age 3.
- This product contains magnetic material. Consult your physician on whether this might affect your implantable medical device.
- Do NOT make unauthorized alterations to this product.

3

- Do not use the earphones near children.
- Read all the instructions before using the earphones.
- Do not use the earphones or expose a charging case to water, rain, liquids or snow.
- Use of a power supply or charger not recommended or sold by power pack manufacturer may result in a risk of fire or

User's Instructions

8

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warning: changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment

The devices has been evaluated to meet general RF exposure requirement, the device can be used in portable exposure condition with restriction
