Columbia, MD 21046

To whom it may concern:

This letter is to inform you that we, Glassboard LLC, are requesting Change in FCC ID for the new certification(s), FCC ID: 2AWBKWFM1MW. The device to be certified is identical in design and construction to the originally approved product(s) apart from a new antenna.

In order to ensure continued compliance of the product, we have employed the following:

The product will be manufactured using the same design specifications as the original.

The same parts list will be used to manufacture the product, with slight modifications to the PCB design and layout to accommodate a different antenna. The alternative antenna(s) shall be tested for conformance to FCC standards.

We have a product sampling program which will retest the product every 12 months to ensure compliance of the product through regular testing.

Sincerely,

Andrew M Westrick
