

Size: 550mm*400mm

GUANGDONG ICE CO., LTD

Model: N240600i-SYNERGY

Part Name	Lithium-ion Batteries	 MH62692
Nominal Voltage	22.4V DC	
Nominal Capacity	240Ah	
Watt Hour	5.376KWh	
Production Date	X-XXXX	
FCCID	2AWHZ-N240600	

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Use only the specified charger.
To reduce the risk of injury, user must read instruction manual.

GUANGDONG ICE CO., LTD

Model: N240130i-SYNERGY

Part Name	Lithium-ion Batteries	 MH62692
Nominal Voltage	22.4V DC	
Nominal Capacity	120Ah	
Watt Hour	2.688KWh	
Production Date	X-XXXX	
FCCID	2AWHZ-N240600	

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
