Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

Attn: OET Dept.

**Product/ Model Number: Cherry Gen2 Basic Care (Home Camera)/
GEN 2 BASIC CARE**

Regarding FCC Country Code Selection guidelines identified in KDB 594280.

"All applications for equipment authorization for transmitters that can have radio parameters, or other technical parameters, reported to the Commission set by software must have an attestation indicating that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified."

We declare that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.

A handwritten signature in black ink, appearing to be "Ben Heng", written over a horizontal line.

Signature of applicant

Name: Ben Heng

Title: Technical Manager
