Attention: Application Examiner / Review Engineer

Subject: Request for a Change in Identification.

To Whom It May Concern:

We, **Porsche Engineering Services GmbH, Etzelstr. 1, 74321 Bietigheim-Bissingen, Germany**, hereby confirm that no changes are made in regards to the design, circuitry or construction on the Model, described below, certified under Dr. Ing. h.c. F. Porsche AG.

The Original Test Results continue to be representative of and applicable to the equipment.

The only changes are made to the Label content in order to indicate the different Manufacturer and Modelname.

Model: Porsche Home Energy Manager  
FCC ID: 2ATXC-HEM10  
IC: 25236-HEM10

Sincerely,

Porsche Engineering Services GmbH

i. V. Michael Kiefer

Director High-Voltage Systems
