

PZOZ 2 in 1 Wireless Charger Product Manual

Product Type: PZOZ-WCH-001

1. 2 in 1 Design for Apple Watch and iPhone. Wireless charger provides a 10W (Max) wireless charge for iPhone.
2. Apple watch foldable charging stand only compatible with original Apple Watch Charger Cable.
3. Works safe with all cell phones that support wireless charging.

4. Product Parameters

Input: 5V/2A, 9V/2A, 12V/1.5A (Max).

Output: 5W /7.5W /10W. (Included 3.3 ft USB-C cable, NO Adapter).

To ensure mobile phone charging speed, we recommend using a wall charger with a power greater than 7.5W.

5. Description of charging modes for Cell phones and Apple Watch:

The LED Indicator allows you to easily check the charging status of your device.

Red light: Standby

Green light: Charging

Lights out: Charging is Complete
