

24th January 2021

Federal Communications Commission
Authorization and Evaluation Division

To whom it may concern,

Confidentiality Request regarding application for certification of:

FCC ID: 2AWR4ISRSC01

Model: I-SRS-C-01 (Ellume COVID-19 Home Test)

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby request long term confidential treatment of information accompanying this application as outlined below:

| Exhibit Type | File Names |
|--------------------------|---|
| Schematics | D1000890 BT Analyzer PCBA Schematic rev B.pdf |
| Detailed Block Diagrams | D1012588-A Home Gen II Analyzer Hardware Design Description.pdf |

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors. Ellume Ltd has spent substantial effort in developing this Home COVID test to be made available for consumers in the USA. Not protecting the design details would provide competitive advantage to competitors. This information is not publicly available.

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

Pursuant to DA04-1705 June 15, 2004 of the Commission's public notice, we also request temporary confidential treatment of information accompanying this application as outlined below:

| Exhibit Type | File Names |
|-------------------|---|
| External photos | Home COVID External 1.jpg Home COVID External 2.jpg Home COVID External 2 - Indicative Label Location.jpg Home COVID External 3.jpg |

Note: Short term confidentiality is understood to be 180 days-period from the Grant of Equipment Authorization date and prior to marketing.

Ellume Ltd has spent substantial effort in developing the first at-home COVID test to be made available for consumers in the USA. Public disclosure of the short-term confidential exhibits prior to marketing or release of the product would reveal key aspects of proprietary technology or trade secrets to competitors and potentially diminish the value of the development effort.

Yours sincerely,

Tim Laing
