

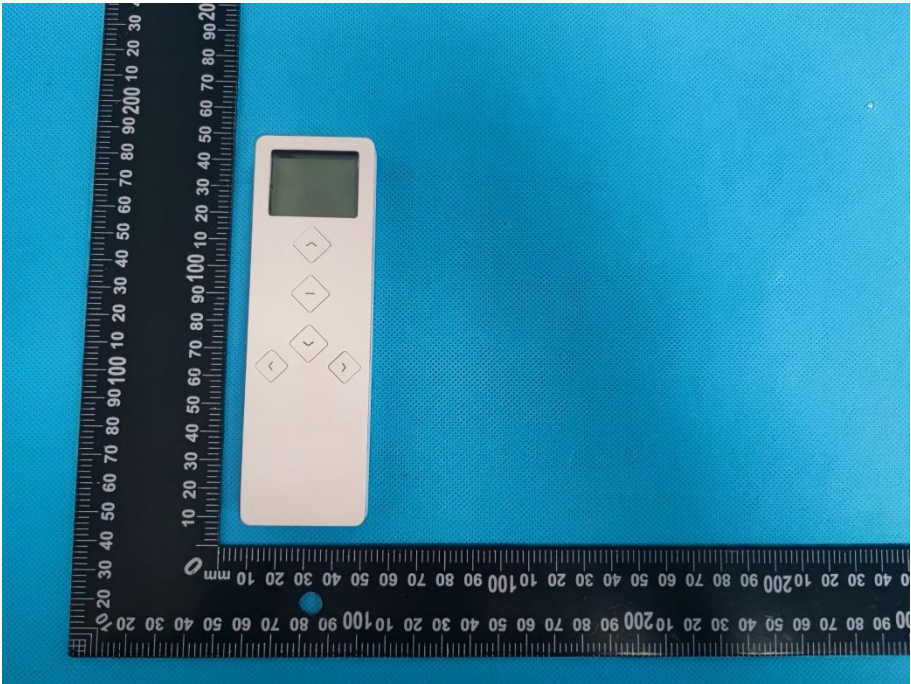

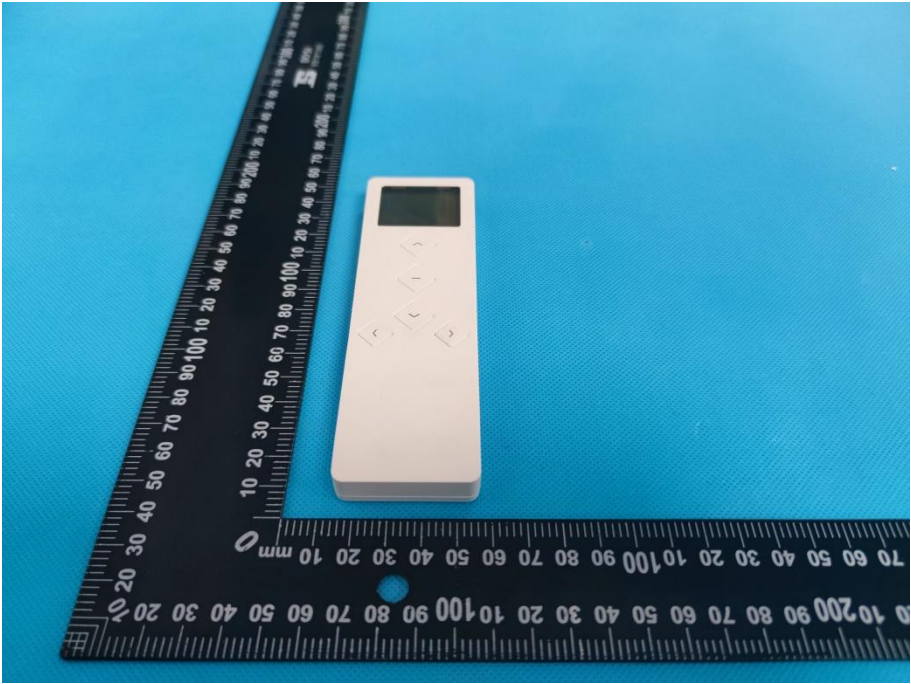

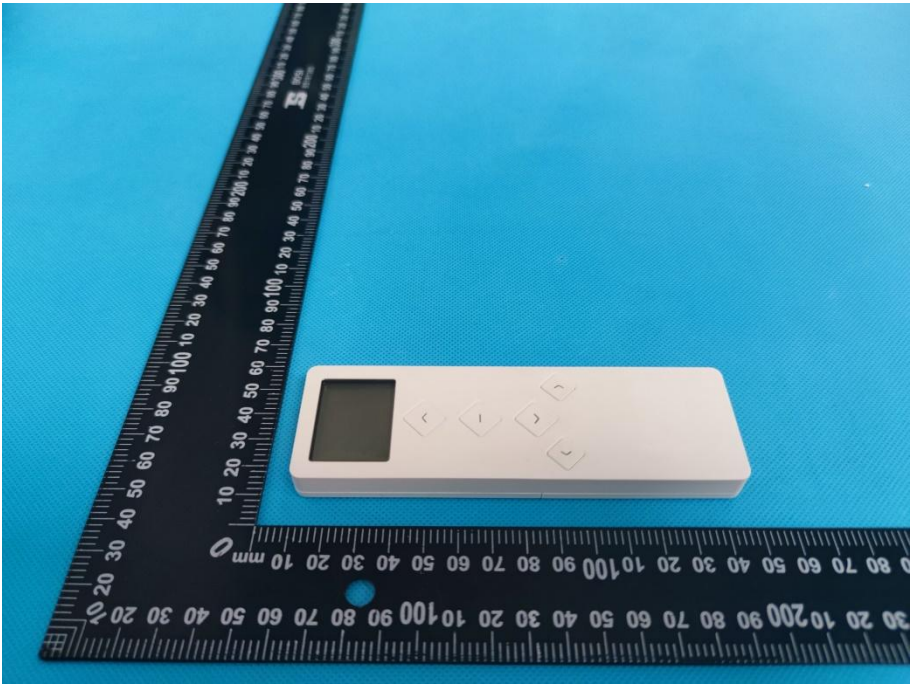

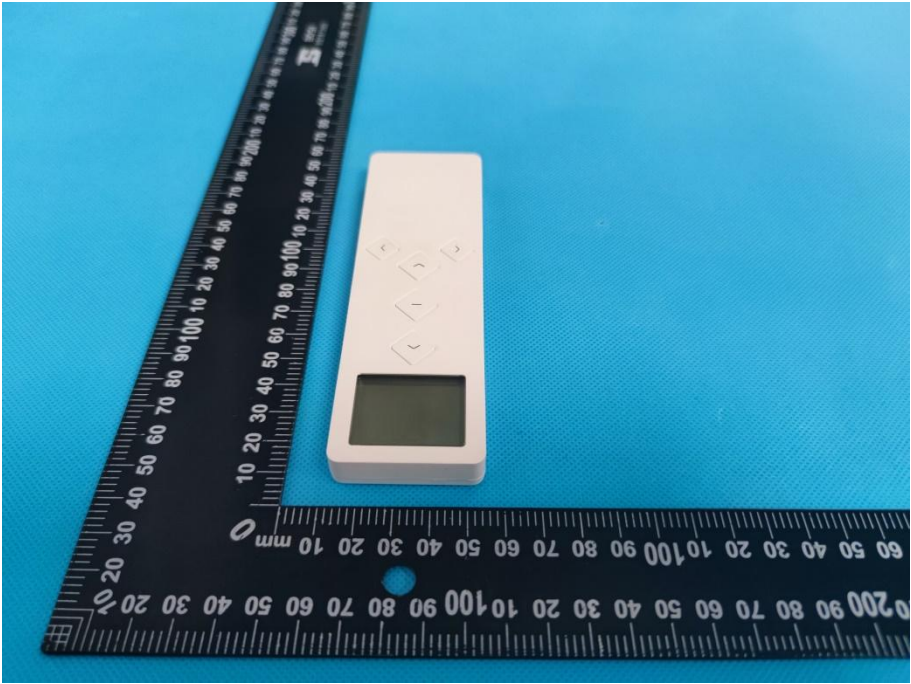

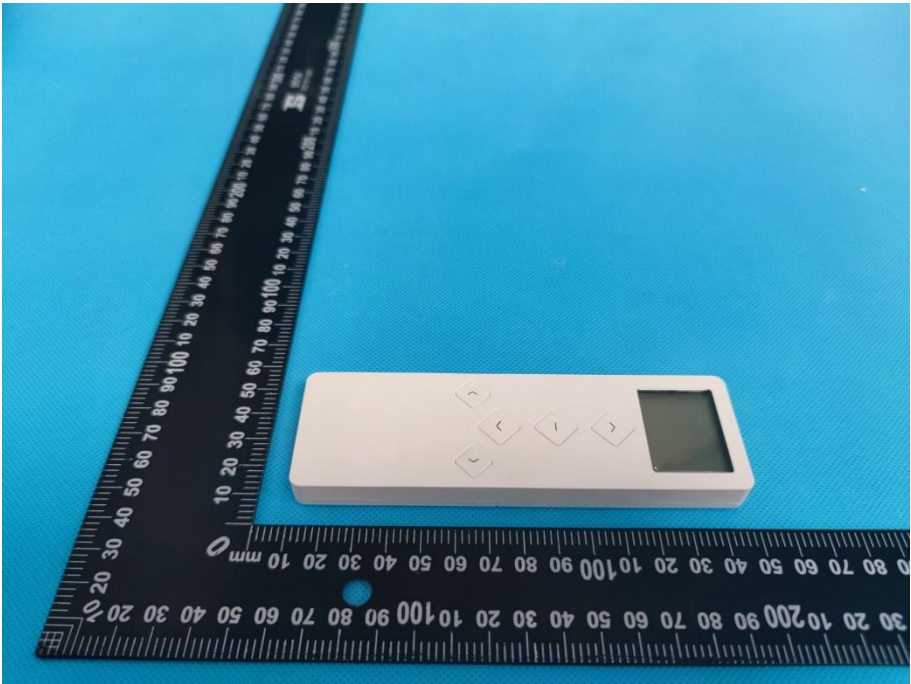

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the front of a white, rectangular electronic device (EUT). The device has a small, dark screen at the top and four buttons arranged in a diamond pattern below it. It is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters.
EUT View 2	 A photograph showing the back of the same white, rectangular electronic device (EUT). It features a small, circular, recessed feature in the center. The device is placed on a blue surface next to a black ruler with white markings, similar to the one in View 1.

EUT View 3	 A photograph showing a white, rectangular electronic device (EUT) from a side-on perspective. The device has a small, dark rectangular screen at the top and four small, square buttons arranged in a 2x2 grid below it. It is placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top and the 100 mm mark at the bottom. The device is positioned between the 10 mm and 20 mm marks on the ruler.
EUT View 4	 A photograph showing the same white, rectangular electronic device from a different angle, likely the front or back. It features a small, dark rectangular screen and four small, square buttons arranged in a 2x2 grid. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top and the 100 mm mark at the bottom. The device is positioned between the 10 mm and 20 mm marks on the ruler.

EUT View 5	 A photograph showing a white, rectangular electronic unit (EUT) from a side-on perspective. The unit is positioned vertically next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters. The unit has a small, dark rectangular screen at the bottom and four small, square buttons arranged in a vertical column above it. The background is a solid blue surface.
EUT View 6	 A photograph showing the same white, rectangular electronic unit (EUT) from a different side-on perspective. The unit is positioned horizontally next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters. The unit has a small, dark rectangular screen on the right side and four small, square buttons arranged in a horizontal row to its left. The background is a solid blue surface.
