

Quick Start Guide

WHAT'S IN THE BOX

- Device
- Power adaptor

CONNECTING DEVICE

- Connect the power supply into a nearby power outlet.
- To turn on your Device, plug in the power adaptor to the device, and then it will automatically turn on. To put it in sleep mode, press and release the power button.
- To turn off your Device, press and hold the power button until a message displays asking if you want to shut down.

CONNECTING DEVICE TO NETWORK

- Tap the Quick Settings icon located on the Status bar to display settings for the most commonly performed tasks
- Select your network from the list of displayed SSID
- If required, enter the password

REGISTERING YOUR DEVICE

- To use many of the Device features, you must register it to your account. If you have not yet registered, please do so now. Prior to registering, connect to a Wi-Fi network by tapping the Quick Settings icon at the top of the Device, then Wi-Fi. Select the network you want to use. Once you are connected, tap the Quick Settings icon and select the My Account option to register.

IMPORTANT PRODUCT INFORMATION

For safety, compliance, recycling, and other important information regarding your Device, please refer to the Legal & Compliance section in the Settings menu of your Device.
