ATTN.: Reviewing Engineer

FCC ID: 2AX3V-TOR002  
Models: TOR002, TORCB001

We (EQOM Novelties Limited) hereby state that all the models are electrical identical including the same software parameter and hardware design (i.e., circuit design, PCB Layout, RF module/circuit, antenna type(s) and antenna location, components on PCB, etc.,), same mechanical structure and design (including product enclosure, materials, etc.,). Since the receivers have different appearances, they are named after two models to distinguish them, the only difference is the model name.
