

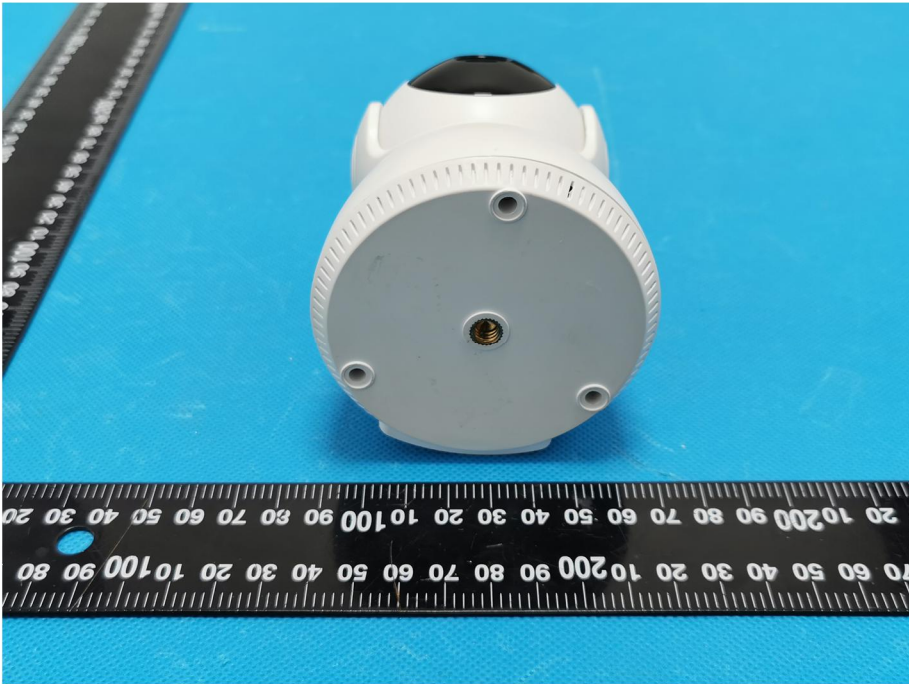

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a white, dome-shaped external unit (EUT) with a black lens, a white power adapter, and a white cable, placed next to a ruler for scale. The ruler is marked in centimeters and millimeters. The background is blue.
EUT View 2	 A photograph showing a white, dome-shaped external unit (EUT) with a black lens, placed next to a ruler for scale. The ruler is marked in centimeters and millimeters. The background is blue.

EUT View 3	 A photograph showing the front view of a white, dome-shaped electronic device. The device has a small rectangular display and two buttons on its base. It is placed on a blue surface next to a vertical ruler marked in centimeters and millimeters. The ruler is positioned to the left of the device, with the 0 cm mark at the bottom.
EUT View 4	 A photograph showing the bottom view of the white electronic device. The base is circular and features a central screw hole and four mounting holes. It is placed on a blue surface next to a horizontal ruler marked in centimeters and millimeters. The ruler is positioned below the device, with the 0 cm mark on the left.
