Attackers**

**Alert
Bystanders**

**Draw
Attention**

**Notify Contacts
Instantly**

4 year battery life!

Battery included!

Free App!

**1 minute Bluetooth
Smartphone setup!**

Features:

Our proprietary Military Grade Pepper Spray is the strongest allowed by law and has a range of up to 10 feet. The active ingredient, Oleoresin Capsicum, is a chemical compound that irritates the eyes to cause a burning sensation, pain, and temporary blindness. Its inflammatory effects cause the eyes to close, taking away vision. This temporary blindness allows people in danger to use pepper spray in self-defense for an opportunity to escape. It also causes temporary discomfort and burning of the lungs which causes shortness of breath. The spray has a fluorescent dye that's visible when scanned with black light to identify the attacker.

The Fazer unit also features a LED flashing strobe that alerts bystanders that you're in danger and the strobing effect disorients the attacker.

When the Fazer unit is activated, a 135 decibel alert horn draws attention to the scene and scares away the attacker. The horn is as loud as a home smoke alarm and is designed for maximum discomfort.

Most importantly, when the Fazer unit is activated text messages are sent instantly to your emergency contacts giving them your location. The text message automatically gives the recipient a Google map link showing your location.

Instructions:

1. Slide your thumb under the flip top lid and press down the center of the trigger.
2. Aim for the head and eyes of your attacker until they are incapacitated or retreat.
 - ▶ The pepper spray will be discharged from the nozzle.
 - ▶ The 135 decibel horn and LED flashing light will activate.
 - ▶ The Fazer app will automatically and instantly send prerecorded messages to your emergency contacts that you have deployed your Fazer device and give them your Google maps location.
3. To stop spraying release the trigger.
4. The siren and strobe will stay active. To deactivate siren and strobe light, use a pointed object such as a pen to rest the device.

About the app:

The Fazer Defense Pepper Spray has a built in computer chip that links to your smartphone via bluetooth connection. The app automatically and instantly sends an alert to the emergency contacts you select. It only takes about ONE minute to set up the connection!

Test Button:

The Fazer Defense Pepper Spray can be tested anytime. Test the location text messages, phone calls, siren and strobe light without firing the pepper spray by pressing down the TEST lever on the side of the unit with a pointed object. To end the test, push the TEST lever back up. All text messages and call costs are covered by us! Nothing will be added to your bill.

Active Ingredient: Oleoresin Capsicum (Red Pepper). AVOID CONTACT WITH YOUR SKIN AND EYES.

Remove contaminated clothing immediately. In case of skin contact, FLUSH skin 15 to 20 minutes with soap and water - repeat as necessary. Do not rub, use creams, ointments, or oils. In case of eye contact, carefully remove contact lenses, flush eyes with cold water for 15 minutes, get prompt medical attention. Thoroughly cleanse or discard contact lenses. **CAUTION: CONTENTS UNDER PRESSURE.** Do not puncture or incinerate the canister (which is located inside of the plastic enclosure of the Fazer Defense Pepper Spray unit). Do not expose to heat or store above 120°F. Store at normal room temperatures and do not expose below 32°F for more than 24 hours. Each product states an expiration date. **KEEP OUT OF REACH OF CHILDREN. WARNING: FOR SELF DEFENSE ONLY.** The use of Fazer Defense Pepper Spray for any purpose other than to deter an attacker is a crime under the law. Illegal use or sale is punishable by imprisonment, fines or both. **LIMITED WARRANTY:** If this product fails to work at any time before its expiration date due to manufacturing defect, return to Fazer Inc. for a replacement. This warranty does not cover products that have been abused, altered or damaged. TO EXTENT PERMITTED BY LAW, FAZER INC. DISCLAIMS ALL OTHER IMPLIED OR EXPRESS WARRANTIES OR MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE. **LIMITATION OF LIABILITY:** This limited warranty is your sole remedy and Fazer Inc. shall not be liable for any damages, whether direct, indirect, incidental, special, consequential, exemplary or otherwise, including lost revenues and lost profits, arising out of any theory of recovery, including statutory, contract or tort. In no event will be the entire liability of Fazer Inc. exceed the purchase price of this product.

Expires: 07/2023 including pepper spray

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warning: changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment
