## Function Instructions

 <p><b>Diagrammatic Sketch</b></p> <p><b>Specifications</b></p> <ul style="list-style-type: none"><li>·Model: XY-90</li><li>·Bluetooth version: V5.1+EDR</li><li>·Earbud battery:25mAh</li><li>·Charging case battery:230mAh</li><li>·Power input:5V</li><li>·Product weight: about 34g</li><li>·Working time: 3 hours</li><li>·Working voltage: 3.3V-4.2V</li><li>·Charging time: 70 minutes</li><li>·Speaker impedance: F10/32Ω</li><li>·Frequency response: 20-20KHZ</li><li>·Transmission distance: over 10 meters</li></ul> <p><b>Package List</b></p> <ul style="list-style-type: none"><li>·Bluetooth headset</li><li>·Earphone Charging box</li><li>·Type-c charging cable</li><li>·User's manual</li><li>·Gift package</li></ul>	 <p><b>How To Use</b></p> <p><b>1.Power On</b></p> <p>Automatic Power On For First Time User Step 1: Open the Charging case cover Step 2: The earbuds are automatically turned on and paired when taking out; Then earbuds Indicator light flashes slowly with blue color to connect the phone Manual Power On When Earbuds Are Out From Charging Case If the earbuds are not in the charging case, long press the earbuds individually for 5 seconds to power on.</p> <p><b>2.Turn Off</b></p> <p>Automatically Turn Off The Earbuds Step 1: After use, remove both left and right earbuds from your ear. Step 2: Put them back into the charging case, they will automatically turn off and charge them selves.</p> <p><b>3.Connection Mode - Earbuds connect with smart phone</b></p> <p><b>How To Use</b></p> <p>Step 1 : Take the earbuds out of the charging case. Step 2 : Make sure your smart phone's bluetooth function is turned on. Step 3 : find out earbuds device name"【XY-90】" on your smart phone. Step 4 : Click it to connect.</p> <p><b>4.Normal Functions Operation</b></p> <p><b>Incoming call / Reject Call:</b></p> <ul style="list-style-type: none"><li>·Touch the earbud once to answer/hang up the call.</li><li>·Long touch the earbud to reject the call.</li></ul> <p><b>Play/Pause</b></p> <ul style="list-style-type: none"><li>·When playing music, touch the earbud once to play or pause the music.</li></ul> <p><b>Volume +/-</b></p> <ul style="list-style-type: none"><li>·Touch the left earbud 3 times to increase the volume.</li><li>·Touch the right earbud 3 times to decrease the volume.</li></ul> <p><b>Previous/Next song</b></p> <ul style="list-style-type: none"><li>·Touch the left earbud twice to skip to previous song.</li><li>·Touch the right earbud twice to jump to next song.</li></ul> <p><b>Voice Assistant</b></p> <ul style="list-style-type: none"><li>·Long touch on either left or right earbud for 3 seconds to wake up</li></ul>	 <p><b>Indicator working status</b></p> <table border="1"><thead><tr><th>Headphone work status</th><th>Headphone indicator status</th></tr></thead><tbody><tr><td>charging</td><td>Bright red light</td></tr><tr><td>A full charge</td><td>Lights out</td></tr><tr><td>Connect the phone</td><td>Lights out</td></tr></tbody></table> <p><b>Working status of charging bin</b></p> <table border="1"><thead><tr><th>Working status of charging bin</th><th>Indicator status of charging bin</th></tr></thead><tbody><tr><td>USB-5V charging</td><td>Blinking red It is steady on after it is filled</td></tr><tr><td>The charging bin charges the headphones</td><td>Green light normally on</td></tr><tr><td>Low power status of charging bin</td><td>Green light flashing</td></tr></tbody></table>	Headphone work status	Headphone indicator status	charging	Bright red light	A full charge	Lights out	Connect the phone	Lights out	Working status of charging bin	Indicator status of charging bin	USB-5V charging	Blinking red It is steady on after it is filled	The charging bin charges the headphones	Green light normally on	Low power status of charging bin	Green light flashing	<p><b>Precautions for use</b></p> <p>This device complies with Part 15 of the FCC Rules. Operations subject to following conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p>NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: -Reorient or relocate the receiving antenna. -Increase the separation between the equipment and receiver. -Connect the equipment into a outlet on a circuit different from that to which the receiver is connected. -Consult the dealer or an experienced radio/television technician for help.</p> <p>NOTE: Any changes or modifications to this unit not expressly approved by the responsible for compliance could void the user's authority to operate the equipment.</p> <p>The device has been evaluated to the general RF exposure requirement.</p>
