

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the internal components of an EUT housing. A green printed circuit board (PCB) with a USB connector is visible. Next to it are two black rectangular components, likely a battery and a cover. A black ruler with white markings is placed below the components for scale.
Solder Board-Component View 1	 A photograph showing the soldered components on the PCB. The USB connector and other surface components are visible. A black ruler with white markings is placed below the components for scale.

Solder Board-Component View 2	 A photograph showing a small green printed circuit board (PCB) component with a USB connector, placed on a blue textured surface. A black L-shaped ruler is positioned next to the component for scale. The ruler has white markings in millimeters and centimeters. The component is oriented vertically, with the USB connector at the top.
Antenna View	 A photograph showing the same green PCB component from a different angle, highlighting the antenna area. A red rectangular box is drawn around a small component on the PCB, and a red line extends from this box to a label 'BT Ant.' located below the image. The black L-shaped ruler is also present for scale. BT Ant.
