

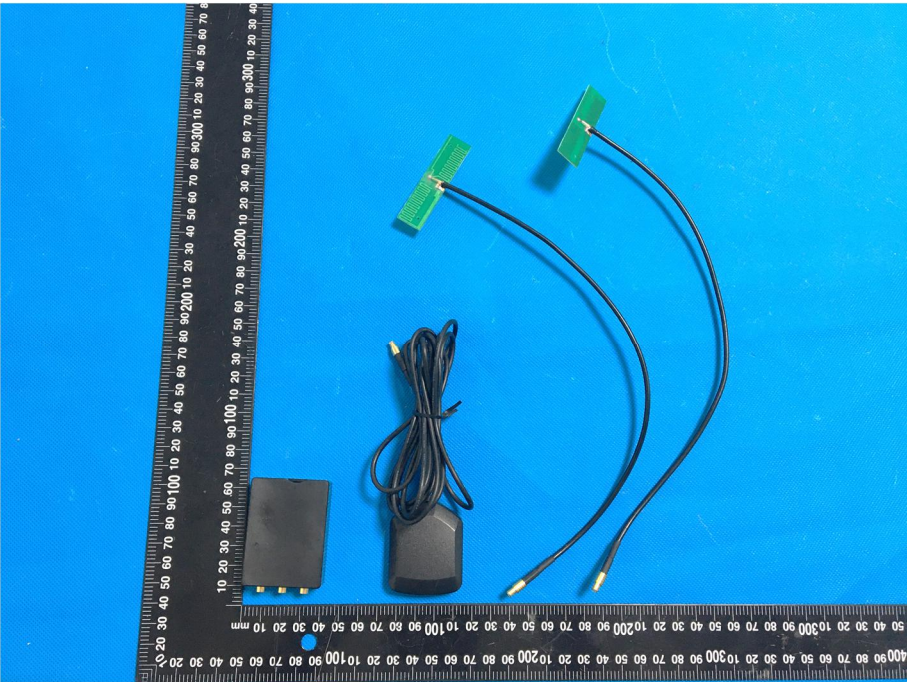

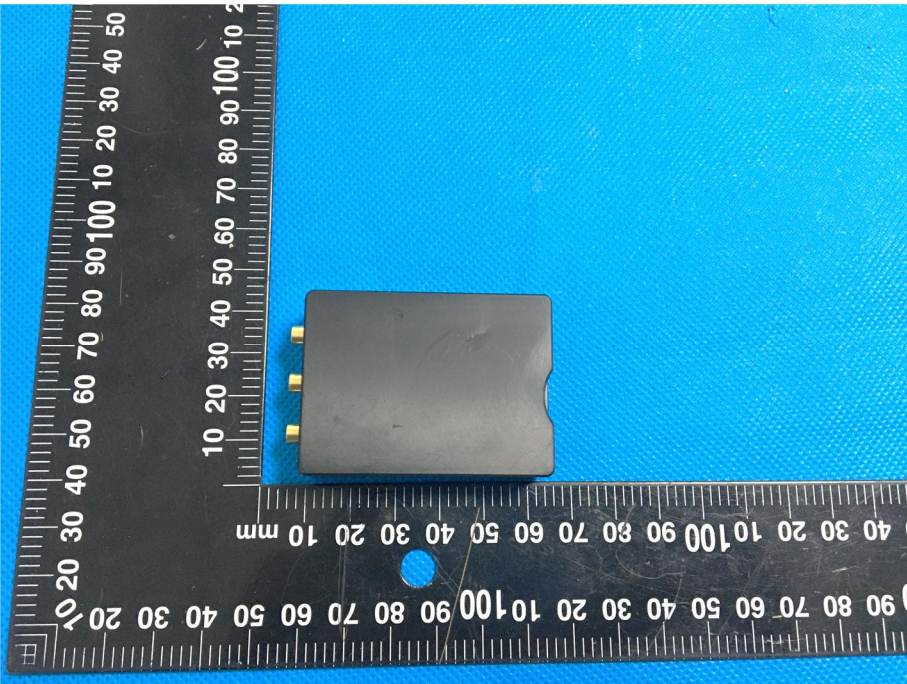

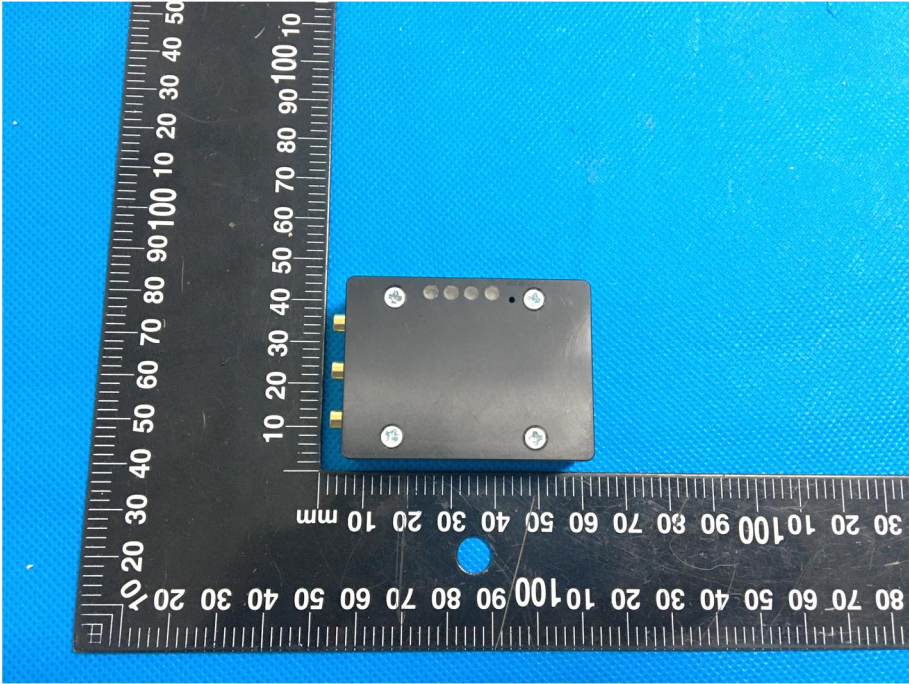

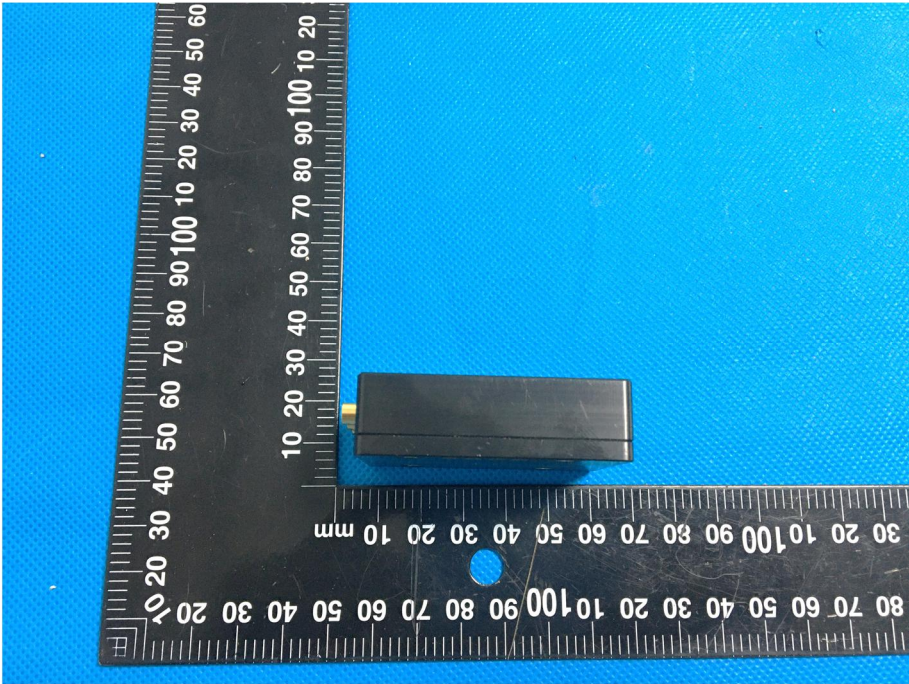

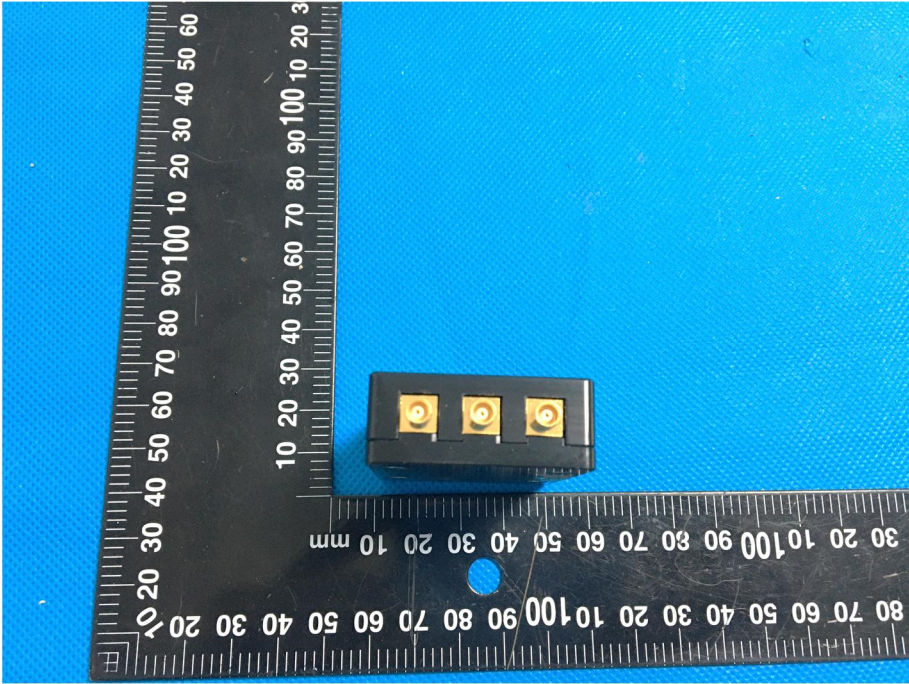

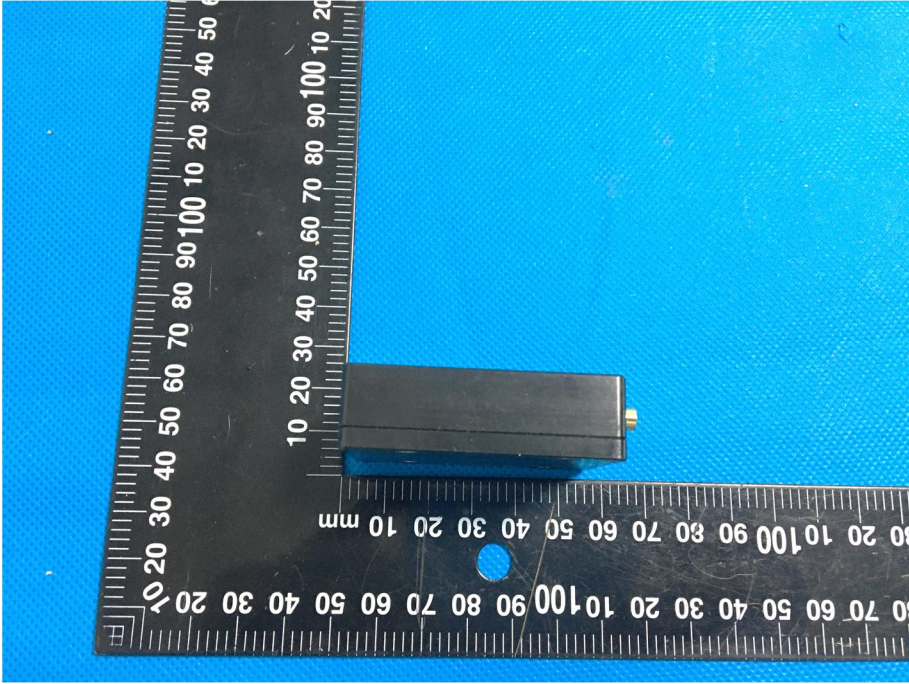

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	
EUT View 2	

EUT View 3	 A black rectangular component is shown from a top-down perspective. It has four silver screws, two on each of the longer sides. Two gold-colored pins are visible on the left side. The component is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters.
EUT View 4	 A side view of the black rectangular component is shown. It is a thin, rectangular block. The component is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters.

EUT View 5	 A photograph showing a small, black, rectangular electronic component with three gold-colored pins protruding from its top surface. The component is positioned on a blue textured background. A black L-shaped ruler is placed next to it for scale, with the horizontal arm at the bottom and the vertical arm on the left. The ruler has white markings in millimeters and centimeters.
EUT View 6	 A photograph showing the same electronic component from a different perspective, highlighting its side profile. It is a black rectangular block with a small gold-colored pin visible on its right side. It is placed on a blue textured background next to a black L-shaped ruler for scale, similar to the one in View 5.
