

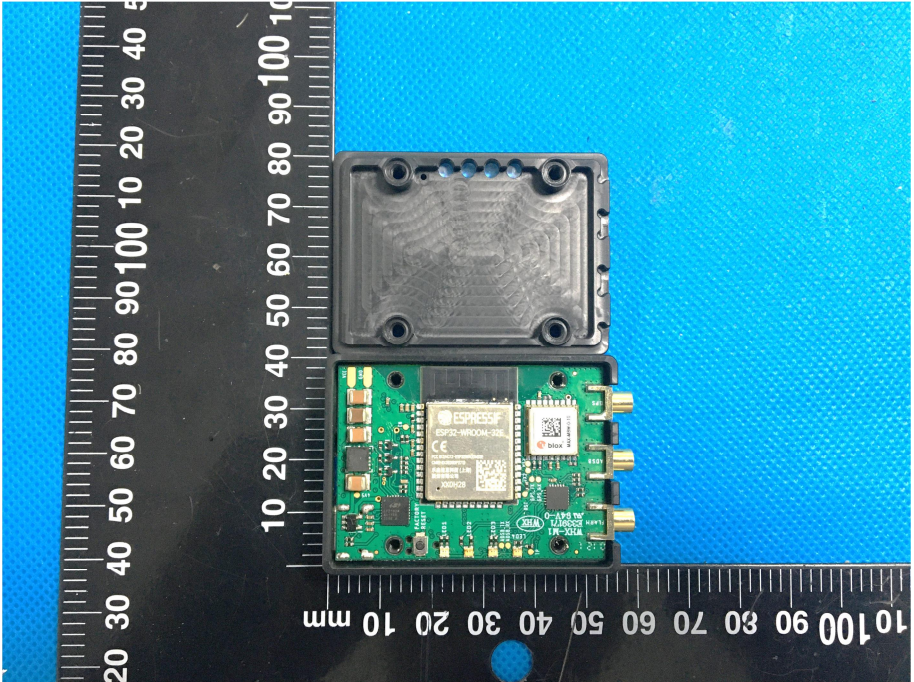

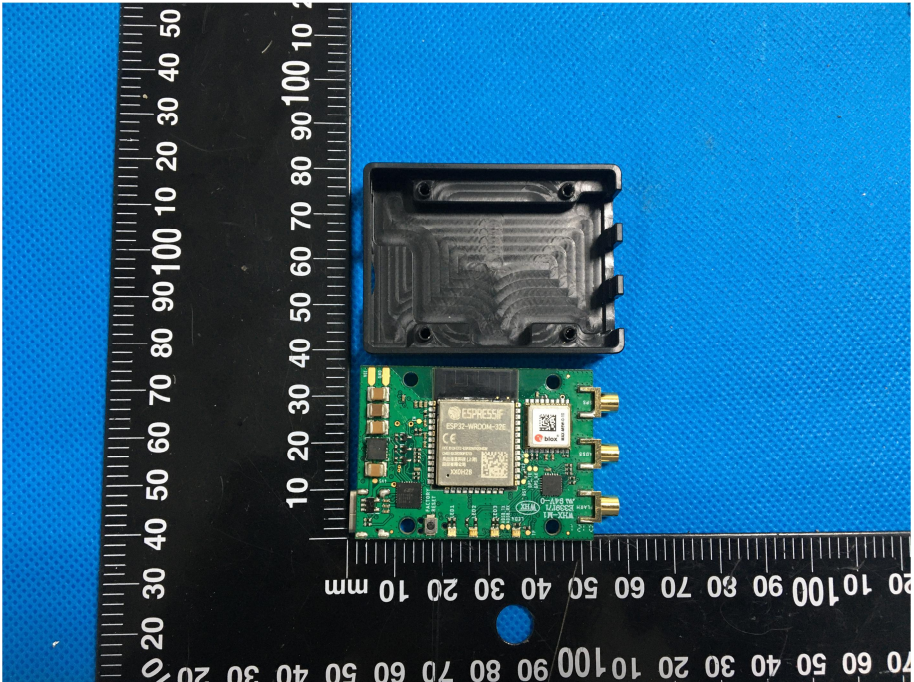

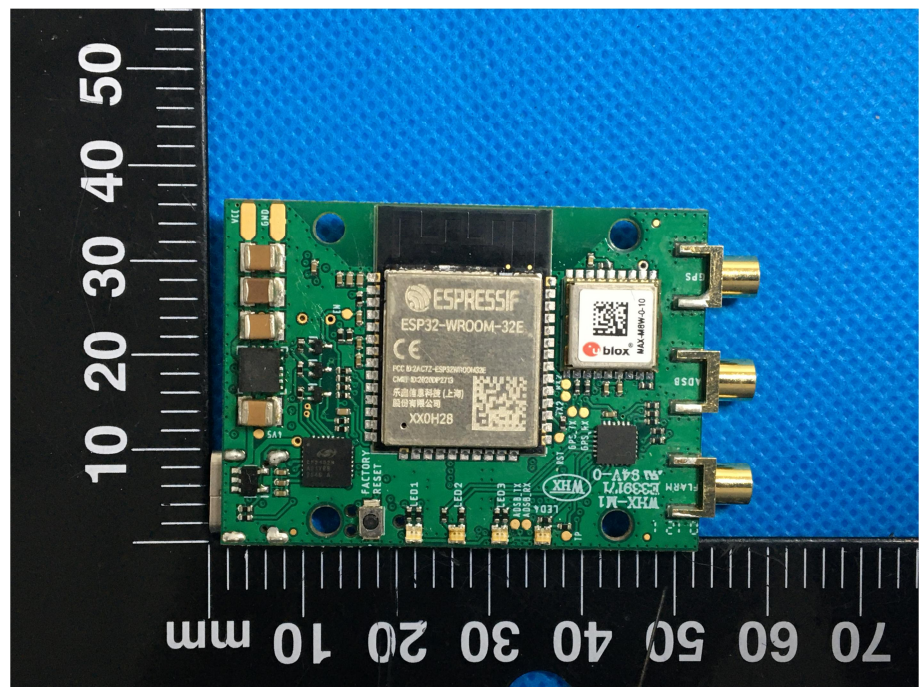

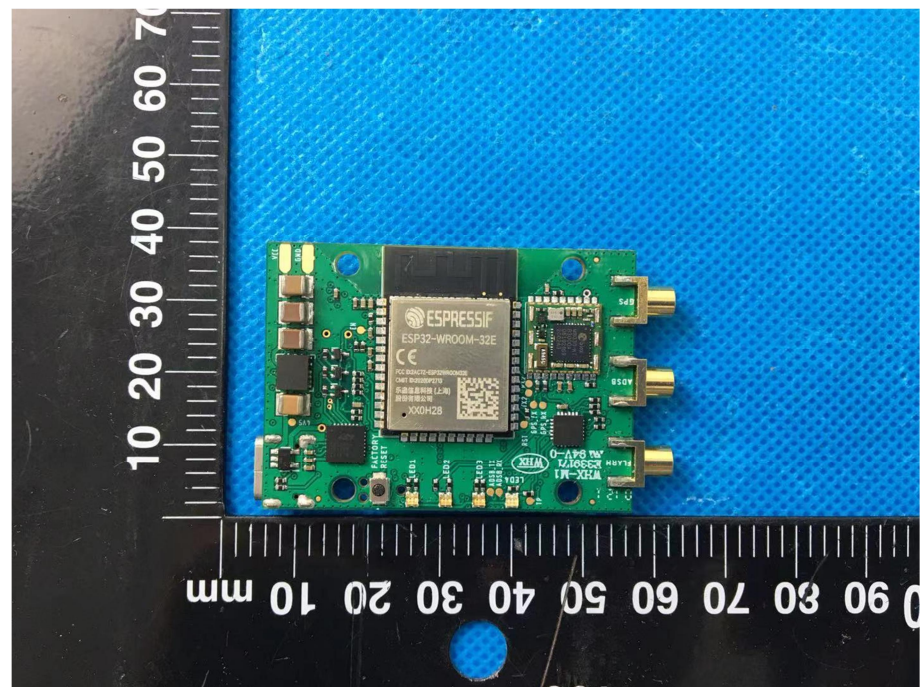

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the top view of a black plastic EUT housing and a green printed circuit board (PCB) with an ESPRESSO system-on-chip. The components are placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The housing is rectangular with four mounting holes. The PCB features various electronic components, including a large silver chip labeled 'ESPRESSO' and several gold-plated connectors on the right side.
EUT Housing and Board View 2	 A photograph showing the bottom view of the same EUT housing and PCB assembly. The components are placed on the same blue textured surface next to the same black ruler. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The housing is rectangular with four mounting holes. The PCB features various electronic components, including a large silver chip labeled 'ESPRESSO' and several gold-plated connectors on the right side.
