

Subject: Request for change of FCC Identification

New FCC ID: 2AXQF-CMHM10

Model: EverGen M10 EMS

Dear regulatory authority,

Sunna Design has bought from Carmanah Technologies its solar outdoor division ("SOL"). Included in that sale was the design of the "Evergen" Energy Management System product which is FCC Identified.

A formal request is made for a change in identification in accordance with FCC rule 2.933(b). A new FCC identifier will be established for marketing purposes.

- The original FCC identifier is: 2AJI5-CMHM10
- The original grant date is: June 29<sup>th</sup>, 2017
- It is hereby declared that the equipment is electrically identical.
- The original test results are applicable and representative of the device to be associated with the new FCC identifier.
- External photos of the device are provided with this application.
- An exhibit to demonstrate the label format and placement are provided with this application.
- A letter of authority from the original grant holder is provided with this application.

Sincerely,

Blanquefort
