

Ad Hoc Mode and Wi-Fi direct Function Declaration

Date: 2020-10-13

FCC ID : 2AXRZPEDRA-1417M

To whom it may concern:

We,

RADISEN CO., LTD, declare that the EUT (Model Name: PEDRA-1417MC) doesn't have Ad Hoc Function and Wi-Fi direct on "non-US frequencies" and/or "on DFS frequencies". In non-associated mode, that software and associated drives will not initiate any transmission on DFS frequencies. This includes transmissions for beacon ad-hoc peer-to-peer modes.

Sincerely,
