

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black electronic device, likely a Universal Test (EUT) unit, is shown from a top-down perspective. It features a rectangular screen on the left and a circular sensor or camera lens on the right. A black USB cable is coiled next to the device. The entire setup is placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the device, showing measurements in centimeters and millimeters.
EUT View 2	 A black electronic device, similar to the one in View 1, is shown from a slightly different angle. It has a rectangular screen on the left and a circular sensor on the right. The device is placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the device, showing measurements in centimeters and millimeters.

EUT View 3

EUT View 4

EUT View 5	 A black electronic device, likely a handheld PDA or rugged smartphone, is shown from a top-down perspective. It has a small screen on the left and a larger display area on the right. A ruler is placed below the device for scale, showing measurements in centimeters and millimeters. The device is positioned on a blue background.
EUT View 6	 A black electronic device is shown from a side profile, highlighting its thickness and the hinge mechanism. A ruler is placed below the device for scale, showing measurements in centimeters and millimeters. The device is positioned on a blue background.
