Solder Board-Component View 29	 A photograph showing three components on a blue textured surface next to a black ruler with white markings. The components are a white rectangular plastic housing, a blue rectangular battery, and a small green printed circuit board (PCB) with red and black wires. The ruler has two scales: one in centimeters (0-100) and one in millimeters (0-100).
Solder Board-Component View 30	 A close-up photograph of a small green PCB with three soldered components labeled BAT, NTC, and GND. The PCB is placed on a blue textured surface next to a black ruler with white markings. The ruler has two scales: one in centimeters (0-100) and one in millimeters (0-100).
