Product Overview

Charge Cable Welcome Guide

Setting Up Your Smart Watch

For your best experience, we recommend using the latest oraimo Health app for iOS and Android.

1. Get ready with the oraimo Health app, scan the QR code on your watch or find the oraimo Health app in one of these locations, depending on your device:

The App Store for iPhone. The Google Play Store for Android phone.

Scan the QR code to pair:

Pair With Your Phone

Use oraimo Health app to scan the QR code on the watch:

If you can't pair successfully, try the following methods:

1. Make sure the BT permission is allowed for the app;
2. When the app is installed, open it and follow the instructions that help you create your account, or login to your existing account;
3. Try turning off and on again the BT switch on your phone;
4. If none of these work, try rebooting your phone and the watch, and repeat the above steps again.

After pairing with your phone, read through this guide to explore the various functions!

BT Calling

Before pairing your phone and the watch for the BT Calling function, make sure the BT for call on the watch is switched on:

In the BT list of the mobile system, connect to "oraimo Watch Nova V" and you can use the watch to make calls.

Getting To Know Your Smart Watch

Wrist Placement

For all-day wear, your watch should usually rest a finger's width below your wrist bone and lay flat, as you would normally wear a watch.

Charge Your Watch

Connect the metal contacts on the charging dock to those on the back of the device, then put them on a flat surface.

Power On/Off

- When the watch is powered off, please connect it to the power and press the Home Button for 3 seconds to turn it on.
- Wake up the watch, press the Home Button for 3 seconds to select the Shutdown option, then the watch will vibrate and power off. You can also power off from the Settings menu (Settings - Shutdown).
- If there is a problem with the watch, please connect the power supply and press and hold the Home button for more than 12 seconds to force restart the watch.

Wake Up the Watch

Method 1: Press the Home button to light up the display.
Method 2: Turn your wrist. (This "Raise to Wake" function is active by default. You can turn it off by tapping the Raise to Wake icon.)

Using The Clock And Menus

Swipe to access the watch menu to explore more functions of the watch: music player, calls, workout functions and settings...

Troubleshooting & FAQ

Can't connect with BT.

1. Make sure that your device supports BT Version 5.2 and that your phone system is iOS 12.0 and above or Android 7.0 and above;
2. Make sure that you've set up the BT permission for the oraimo Health app;
3. Check if the watch is connected to another phone. If yes, please disconnect and retry;
4. Disconnect the BT on your phone and reconnect after 20 seconds;
5. Reboot the watch and your phone and repeat the above steps.

Can't find the watch in BT.

1. Make sure that your location services are enabled (GPS is working) and the device has sufficient power;
2. Keep the device screen activated and place it close to your phone;
3. Make sure that the watch is not connected to another phone;
4. Disconnect the Bluetooth on your phone and reconnect after 20 seconds.

If you still cannot find it, please turn off your phone's BT function and reconnect after 20 seconds.

Cannot monitor heart rate or blood oxygen.

Make sure that the optical monitoring sensor is in direct contact with your skin.

Can't receive notifications after enabling it.

For Android users, please make sure that the device is connected to your phone. Set up notifications permission for the oraimo Health app in the phone system as well as in oraimo Health app settings. Add the oraimo Health app to the trust list if any security software installed prevents its functioning.
For iPhone users, please make sure that the device is connected to your phone. Reboot your phone and try to reconnect.

Is the product waterproof?

This product supports 1ATM waterproof. You can wear it while washing your hands, having a cold shower, washing the watch dry, and wipe the metal contacts before charging.

Do I need to connect BT all the time? Will my health and sleep data stored if not connected to the phone?

The data will be kept on the watch for 7 days. When reconnected to the phone, your health and sleep data will be synced automatically. Please synchronize data in time to get maximized utility.

Basic Product Specifications

Operating frequency:
BT: 2400-2483.5MHz (TX/RX); Modulation mode: GFSK, n4-DQPSK, 8DPSK(BT) GFSK(BLE)
Max. Of Transmit power:
BT(BD): 3.59dBm BLE 3.53dBm

FCC Caution

Labeling requirements.
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference.
(2) This device must accept any interference received, including interference that may cause undesired operation.
Information to user:
Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.
If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
Note: This device and its antenna(s) must not be co-located or operation in conjunction with any other antenna or transmitter.

EN 06

RF Exposure Statement

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

EU DECLARATION OF CONFORMITY

In accordance with Annex VI of Directive 2014/53/EU of the European Parliament and of the Council For the following Radio equipment:
Model: OSW-802N
Product: Smart Watch
Trade name or Brand: oraimo
Software / Hardware number: V2.1.6/WS010V1.1
2. Name and address of the manufacturer or his authorized representative:
Manufacturer: ORAIMO TECHNOLOGY LIMITED
Address: FLAT N 16/F BLOCK B UNIVERSAL INDUSTRIAL CENTRE 19-25 SHAN MEI STREET FOTAN NT HONGKONG
3. This declaration of conformity is issued under the sole responsibility of the Manufacturer.
4. Object of the declaration (identification of the radio equipment allowing traceability; it may include a colour image of sufficient clarity where necessary for the identification of the radio equipment):
5. The object of the declaration described above is in conformity with the relevant Union harmonization legislation:
Directive 2014/53/EU (RED)
6. References to the relevant harmonised standards used or references to the other technical specifications in relation to which conformity is declared:
Article 3.1a Health:
EN 62479:2010 Article 3.1a Electrical Safety: EN62368-1:2014+A11:2017 EN IEC 62368-1:2020+A11:2020
Article 3.1b: ETSI EN 301 489-1 V2.2 (2019-11) ETSI EN 301 489-17 V3.2.4(2020-09)
Article 3.2: ETSI EN 300 328 V2.2.2 (2019-07)
7. 7. Notified Body Name: Eurofins Electrical and Electronic Testing NA, Inc.
Notified Body Number: 0918-0
Notified Body Assessment Performed: Module B/C on Article 3.1a, 3.1b and 3.2
8. Where applicable, description of accessories and components, including software, which allow the radio equipment to operate as intended and covered by the EU declaration of conformity. User instructions are provided in the User Manual. Software and Hardware versions are specified above.
9. Additional information:
Referring to Article 10.2 of the Directive, this equipment is so constructed that it can be operated in all Member States, without infringing applicable requirements to the use of radio spectrum.
Referring to Article 10.10 of the Directive, there are no restrictions on putting this equipment into service or of requirements for authorization of use. Please refer to the User Manual for details.
