SETTING UP YOUR SMART WATCH

Charging Port
Heart Rate Sensor

For your best experience, we recommend using the latest oraimo health app for iOS and Android.

 iOS 12.0 or above

 Android 7.0 or above

Pair With Your Phone

1. Get ready with the oraimo health app, scan the QR code on your watch or find the oraimo health app in one of these locations, depending on your device:

 The App Store for iPhone

 The Google Play Store for Android phone

2. When the app is installed, open it and follow the instructions that help you create your account, or log in to your existing account.

3. Your account asks for information such as height, weight, and gender to make various calculations and tailor your experience using the app. You can modify your information in oraimo health – Account – User.

4. Long press the Upper Button of the watch to turn it on, follow the onscreen instructions to set up the language, and get ready pairing with the phone.
