ARTWORK FORMATS

We accept Adobe Illustrator files (Ai), Illustrator EPS and Hi-Res Print Ready PDFs. These may be flattened, or layered provided that ALL images are embedded and fonts / Typefaces are turned to outlines. Please ensure your artwork has adequate bleed where applicable and that the document colour mode is set to CMYK. Photoshop files are not preferred. Please contact us to discuss artwork formats if you are unsure, we will be glad to advise you.

ARTWORK PROOF

01793 824574 or 01793 976560

Client: Dufort Associates

It is your responsibility to check this proof:

- Is the spelling grammar and text correct?
- Is the content correct – for example any telephone numbers, addresses, ingredients etc?
- Has anything moved or the font appearance changed?
- Does the artwork look as expected?

-

Additional notes:

- Amendments made **after the first proof** are charged at **£15.00 each time** and expected delivery date may be extended.
- **All colours are produced using CMYK and may appear slightly different to Pantones.** Colours viewed on a monitor or print-out do **not** accurately match the finished print, and should **not** be used as a colour match for the final product – a machine proof can be supplied, but this will delay production and incur a cost.
- Please **refer to the order confirmation** for the estimated delivery date of your order.
