Solder Board-Component View 10	 A photograph showing a small electronic component, likely a microcontroller or sensor, mounted on a blue printed circuit board (PCB). The component is positioned near a black ruler with white markings. The ruler shows measurements in millimeters (mm) and centimeters (cm). The component is oriented vertically, and its solder joints are visible. The background is a blue textured surface.
Solder Board-Component View 11	 A photograph showing a small electronic component, likely a microcontroller or sensor, mounted on a blue printed circuit board (PCB). The component is positioned near a black ruler with white markings. The ruler shows measurements in millimeters (mm) and centimeters (cm). The component is oriented vertically, and its solder joints are visible. The background is a blue textured surface.
