Solder Board-Component View 3	 A photograph of a small electronic component, likely a microcontroller or sensor, mounted on a black printed circuit board (PCB). The component is positioned on a blue textured surface. A black L-shaped ruler is placed next to the component for scale. The ruler has white markings in millimeters and centimeters. The component is a small green PCB with various components, including a microcontroller, resistors, and a small blue component. The ruler shows the component is approximately 10mm wide and 10mm high.
Solder Board-Component View 4	 A photograph of the same electronic component from a different angle, showing the underside. The component is mounted on a black PCB. A black L-shaped ruler is placed next to the component for scale. The ruler has white markings in millimeters and centimeters. The component is a small green PCB with various components, including a microcontroller, resistors, and a small blue component. The ruler shows the component is approximately 10mm wide and 10mm high.
