EUT View 3

A230W, E7

EUT View 1	 A photograph showing the front of a rugged electronic device, likely a trail camera, with a black antenna extending from the top. The device is positioned next to a black ruler with white markings for scale. The ruler shows measurements in both centimeters and millimeters. The device has a lens and some internal components visible through a clear window.
EUT View 2	 A photograph showing the back of the same rugged electronic device. A label on the back reads "GardePro E7 Trail Camera", "www.zopudi.com", and includes "FC" and "CE" certification marks, along with "Made in China". The device is placed next to a black ruler with white markings for scale, similar to the one in the first view.

EUT View 3**A270W, P90****EUT View 1**

EUT View 2**EUT View 3**

A350W

EUT View 1	 A photograph showing the front of a rugged, olive-drab electronic device. The device features a large, circular lens in the center, a smaller lens below it, and a speaker grille at the top. A black antenna is attached to the top. The device is placed on a blue surface next to a black ruler with white markings, which shows the device is approximately 100mm wide and 150mm high.
EUT View 2	 A photograph showing the back of the same rugged electronic device. The back is a plain, olive-drab surface with a small, rectangular label in the center. The device is placed on a blue surface next to a black ruler with white markings, which shows the device is approximately 100mm wide and 150mm high.

EUT View 3**A370W, S5 Ultra****EUT View 1**

EUT View 2	 A photograph showing the back of a rugged, grey electronic device. The device has a rectangular shape with rounded corners and a small, dark rectangular area in the center. A black antenna is visible on the right side. A black ruler with white markings is placed horizontally below the device, showing measurements in centimeters and millimeters. The background is a solid blue surface.
EUT View 3	 A photograph showing the front of the same rugged, grey electronic device. The device features a small screen at the top, a circular navigation pad in the center, and several buttons labeled 'MENU', 'START', 'OFF', and 'ON'. Below the screen, there are ports labeled 'SD CARD' and 'USB'. A black antenna is visible on the right side. A black ruler with white markings is placed horizontally below the device, showing measurements in centimeters and millimeters. The background is a solid blue surface.
