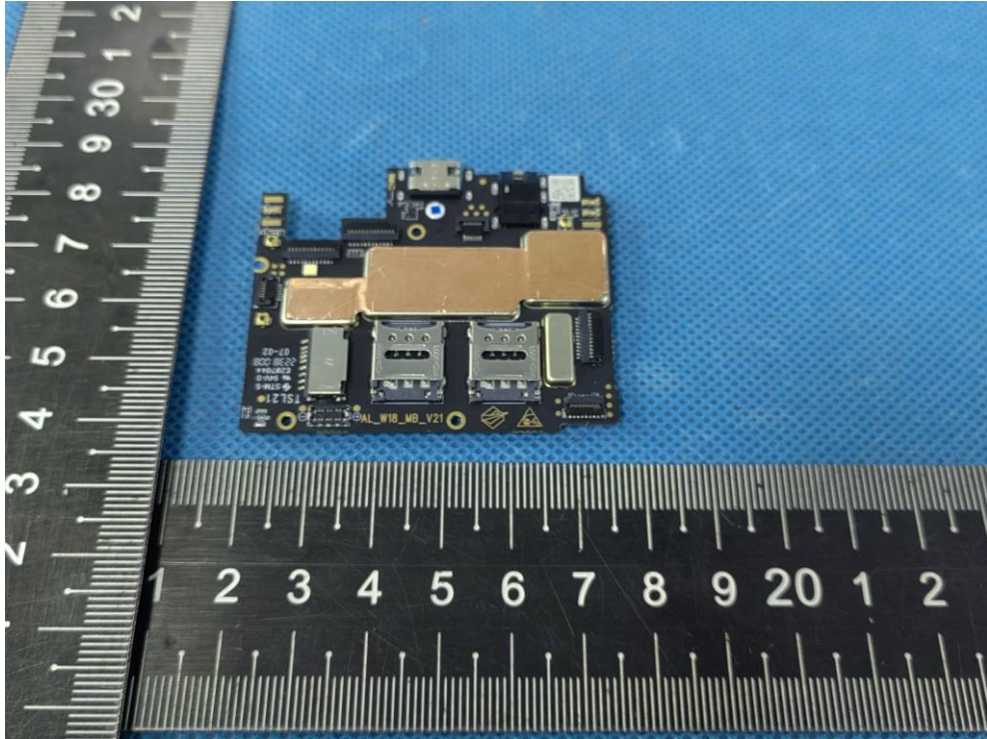

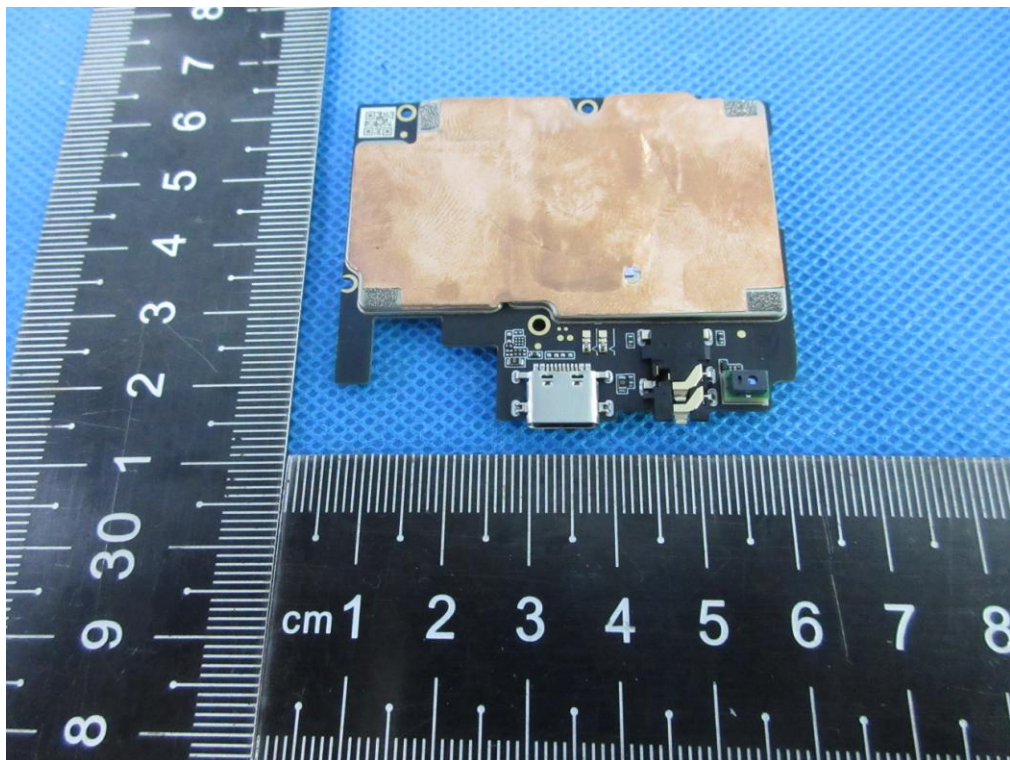

Photo 8

A photograph of a disassembled mobile phone. The main board, battery, and camera module are visible, placed next to a ruler for scale. The ruler shows measurements in centimeters, with markings from 1 to 8 cm visible. The phone's components are laid out on a blue textured surface.

A photograph of a disassembled smartphone, showing the internal components. The main board is visible, featuring various chips, connectors, and components. A ruler is placed next to the board for scale, indicating the size of the components. The board is labeled with "AL\_W18\_MB\_V21" and "TSL21". Other visible text includes "08-04", "232 CO", "180344", "04V-0", "STM-5", and "180344". The board is placed on a blue textured surface.
