

# Appendix D

## Photographs

|                                          |
|------------------------------------------|
| 1. SAR measurement System                |
| 2. Photographs of Tissue Simulate Liquid |
| 3. Photographs of EUT test position      |
| 4. EUT Constructional Details            |

## 1. SAR measurement System

## 2. Photographs of Tissue Simulate Liquid

| Photo 1: Tissue Simulant Liquid for HBBL600-10000MHz                                                                                                                                                                                                                                                                                                                                                  | NA |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
|  A photograph showing a cross-section of a container filled with a yellowish, translucent liquid. A metal ruler is placed vertically next to the container, with markings visible from 6 to 12 inches. The container has a blue outer rim and a white inner lining. The liquid is contained within the white lining. | NA |

### 3. Photographs of EUT test position

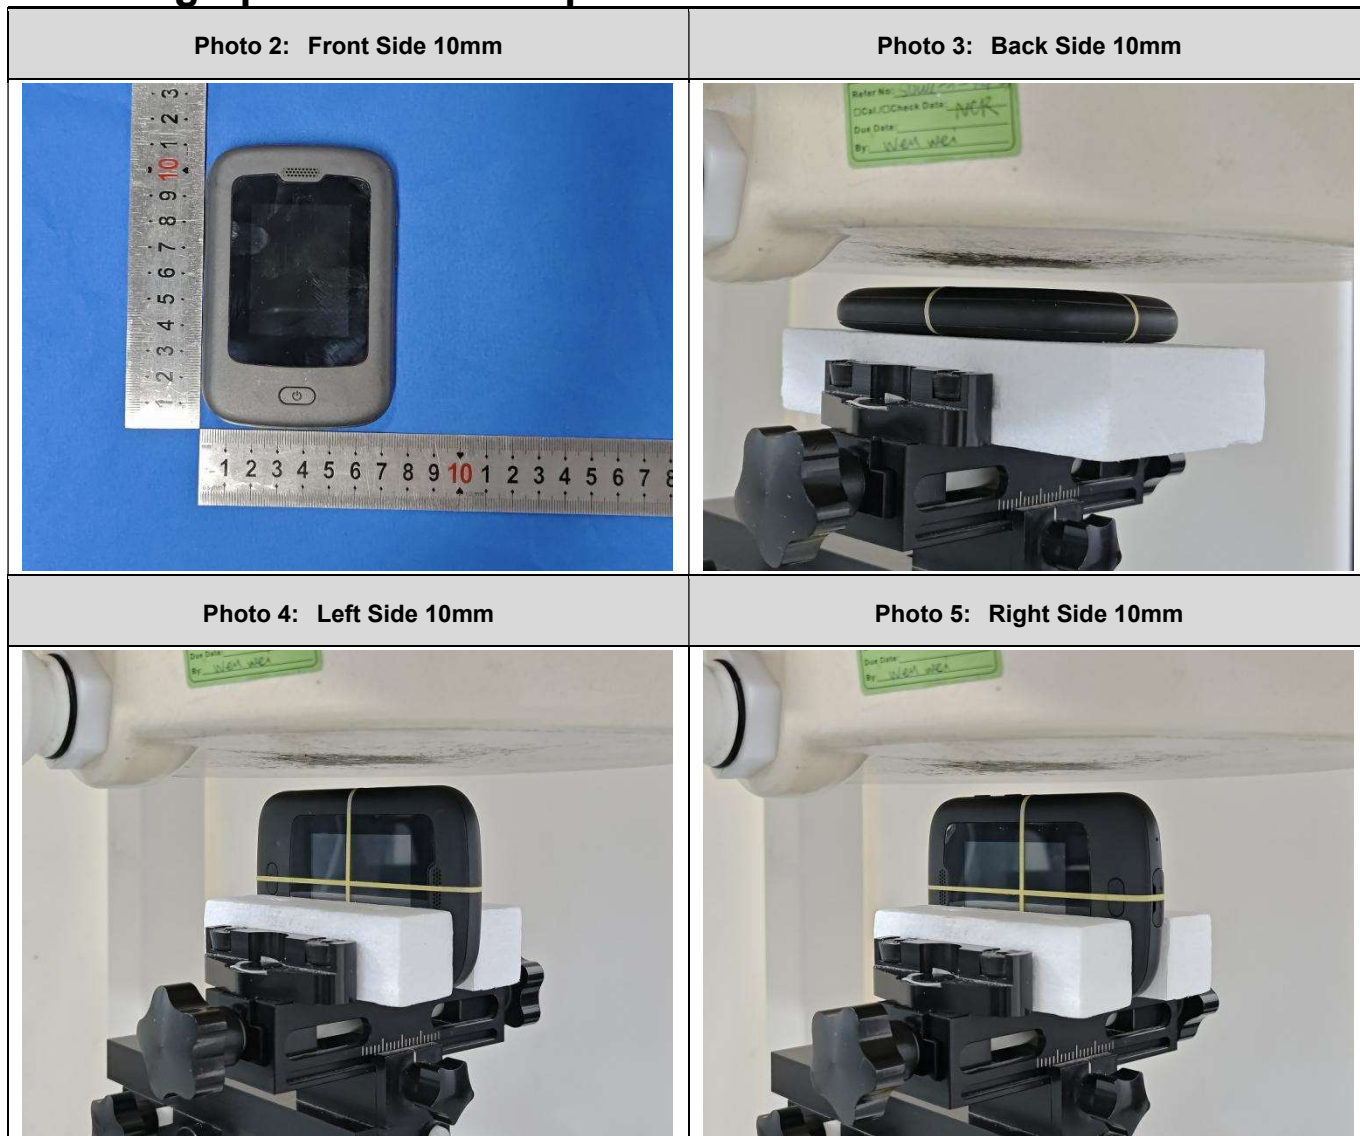

Photo 6: Top Side 10mm

Photo 7: Bottom Side 10mm

## 4. EUT Constructional Details
