

Test Positions

Front Side (Separation distance of 10mm)	Back Side (Separation distance of 10mm)
 A photograph showing the front side of a black electronic device mounted on a white plastic stand. The device has a green rectangular label on its front. A vertical ruler is placed to the left of the device for scale, showing a separation distance of 10mm between the device and the ruler.	 A photograph showing the back side of the same black electronic device on the white plastic stand. The back of the device is visible, showing a camera lens and other features. A vertical ruler is placed to the left for scale, indicating a 10mm separation distance.
Right side (Separation distance of 10mm)	Left side (Separation distance of 10mm)
 A photograph showing the right side of the black electronic device on the white plastic stand. A vertical ruler is placed to the left for scale, showing a 10mm separation distance.	 A photograph showing the left side of the black electronic device on the white plastic stand. A vertical ruler is placed to the left for scale, showing a 10mm separation distance.

Top side (Separation distance of 10mm)	Bottom side (Separation distance of 10mm)
