FCC ID location justification

FCC ID: 2AYFHHP2

We, the undersigned, hereby submit the justification for placing the FCC ID in the Associated User Manual for the HemoPill acute having the above-mentioned FCC ID. According to KDB Publication 784748 D01, when the device is so small, or for such use that it is impracticable to label with a font size that is four points or larger (and the device does not utilize electronic labelling), then the FCC ID shall be placed in the user manual.

HemoPill acute having the above-mentioned FCC IDs are so small and considering the dimensions of the equipment and the label area, it is impracticable to label FCC ID with a font size required on the devices.

Therefore, the FCC ID label is placed in the User Manual.

If you have any questions, please feel free to contact us at the address shown below
