In some cases, we may instead refund the purchase price paid for the Product. Your remedy under this Warranty will be the repair, replacement or refund of the Product as determined by Luxottica, however we will honour your preference for a repair or replacement unless it is impossible or disproportionate for us to do so. This Warranty gives you specific legal rights, and you may also have other rights under consumer protection laws or regulations in the jurisdiction of purchase or, if different, in your country of residence. If your warranty claim is deemed to be valid, and we find a defect or malfunction covered by this Warranty, we will replace or repair the Product so it provides the functionality warranted. Subject to your rights under any local laws, if we determine that a Product should be replaced, the replacement may be a new, refurbished, or a re-manufactured Product. Save for your rights and remedies available under your local laws, the provision of a repaired or replacement product does not restart or otherwise extend the Limited Warranty Period.

If we determine, in our sole discretion, that none of the listed means are reasonable to correct a defect or malfunction, then we may refund to you the price you paid to purchase the Product. We may not return the original Product to you. If your warranty claim is not deemed to be valid, then we reserve the right to return the Product to you at your cost, subject to prepayment, or, if such costs are not prepaid, we will keep

If the warranty claim is deemed to be invalid and we do not find a defect or malfunction covered by this Warranty, we will contact you to see if you want us to conduct repairs at your cost and, in any event, you will be charged for the outbound freight to return your Product based on Luxottica's standard shipping rates.
