View 1**

Solder Board-Component View 2	 A photograph showing a small green printed circuit board (PCB) component mounted on a blue textured surface. The component has a silver oval-shaped antenna on the left and a gold-colored rectangular area on the right. A metal ruler is placed vertically to the left of the component, showing markings from 1 to 5 cm. Another metal ruler is placed horizontally below the component, showing markings from 1 to 4 cm. The component is positioned between the 3.5 cm and 4.5 cm marks on the vertical ruler and between the 1.5 cm and 2.5 cm marks on the horizontal ruler.
Antenna View	 A photograph showing the same green PCB component from a different angle, focusing on the antenna. A red rectangular box highlights the antenna area, and a red line points from a label "2.4G Antenna" to this box. A metal ruler is placed vertically to the left of the component, showing markings from 1 to 6 cm. Another metal ruler is placed horizontally below the component, showing markings from 1 to 5 cm. The component is positioned between the 3.5 cm and 4.5 cm marks on the vertical ruler and between the 1.5 cm and 2.5 cm marks on the horizontal ruler.
