<u>Description of access to FCC ID in CADScor System sw.</u>

Implemented in the CADScor System software is a possibility to view the FCC ID.

The FCC ID can be reached in two different ways;

1) Two click method
By entering the Setting menu (one click "Enter setup" on display); Choose About (one click on "About" on display); View FCC ID

2) Button + One click method
Triple-click on sensor button to go to Settings menu; Choose About (one click on "About" on display); View FCC ID.
