Re: FCC ID: 2AZ35-SDPAC

To Whom It May Concern:

The following application is submitted on behalf of our client, Rigaku Americas Corporation, for evaluation of their model SX-SDPAC for a C2PC certification under FCC Part 15.247 and 15E.

C2PC to address integration into the handheld portable device KT-500.

I have reviewed the application and supporting documentation and have found them to comply with FCC requirements. I recommend this application for certification.

Yours sincerely
