A small white rectangular LED controller device is shown. The top face features a QR code, the text "LED CONTROLLER" with a rainbow-colored bar, and technical specifications: "MAX 200mA 65°C", "OFFER 2000H @ 25°C", and "DC 5-6V". Below the text is a speaker grille and three buttons labeled "P", "G", and "M". Two white cables are connected to the side of the device. A ruler is placed below the device for scale, showing it is approximately 10 cm long.

A white, rectangular, wireless charging pad is shown on a blue surface. The pad has a QR code and some text on its top face. A white cable is attached to the bottom of the pad, ending in a standard USB-A connector. A ruler is placed next to the pad for scale, showing it is approximately 10 cm long.
