[Product Specification]

Product name: Specific low power wireless device (for wireless data communication system)

Model Name: KB-200

Manufacturer: Kinetic Lab Inc.

Wireless Communication: Bluetooth LE

Battery: DC 3.7 V 250mAh Lithium Polymer

Charging Power: 5V, 1A

[Product Specifications and Certifications]

Frequency range: 2402~2480MHz

Modulation Method: GFSK

Radio Wave Format: F1D

Channel: 40-Ch

Output: 3mW

This radio equipment cannot be used for services related to human safety because there is a possibility of radio wave interference.

KC Certification Mark:

Equipment name (model name): Specific low power wireless device (for wireless data communication system)

Certification number: R -R-zli-KB-200

Name of the certified person: Kinetic Lab Inc.

Date of manufacture: Mar/ 2021

Manufacturer / Country of manufacture: Kinetic Lab Inc. / Korea
