Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046
USA

Attn: OET Dept.

Product/ Model Number: Smart TV Box / T95MAX+

Regarding FCC Country Code Selection guidelines identified in 594280 D01 Software Configuration Control v02r01.

“All applications for equipment authorization for transmitters that can have radio parameters, or other technical parameters, reported to the Commission set by software must have an attestation indicating that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.”

We declare that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.

Name: Eric Cheng **Date: 2022-05-16**

Title: general manager

Signature of applicant

A handwritten signature in black ink that reads "Eric Cheng". The signature is cursive and appears to be "Eric" on top and "Cheng" on the bottom, with a small "2022-05-16" written below "Cheng".
