安全指南 - 安全指南 (安全指南)

[illegible]

The image shows a comprehensive user manual for the cmf by NOTHING X smartwatch. The manual is presented in a multi-column layout with text in various languages. Key sections include:

- Introduction:** Welcome message and initial setup instructions.
- Carga (Charging):** Instructions on how to charge the watch using the provided USB-C cable and magnetic charging dock.
- Reparo (Repair):** Information on warranty and how to contact customer support.
- Other Sections:** Details on app installation, Bluetooth pairing, and specific features like heart rate monitoring, blood oxygen saturation, and sleep tracking.

The manual also features several QR codes for downloading the cmf by NOTHING app and a detailed diagram of the watch showing its various sensors and buttons.
