

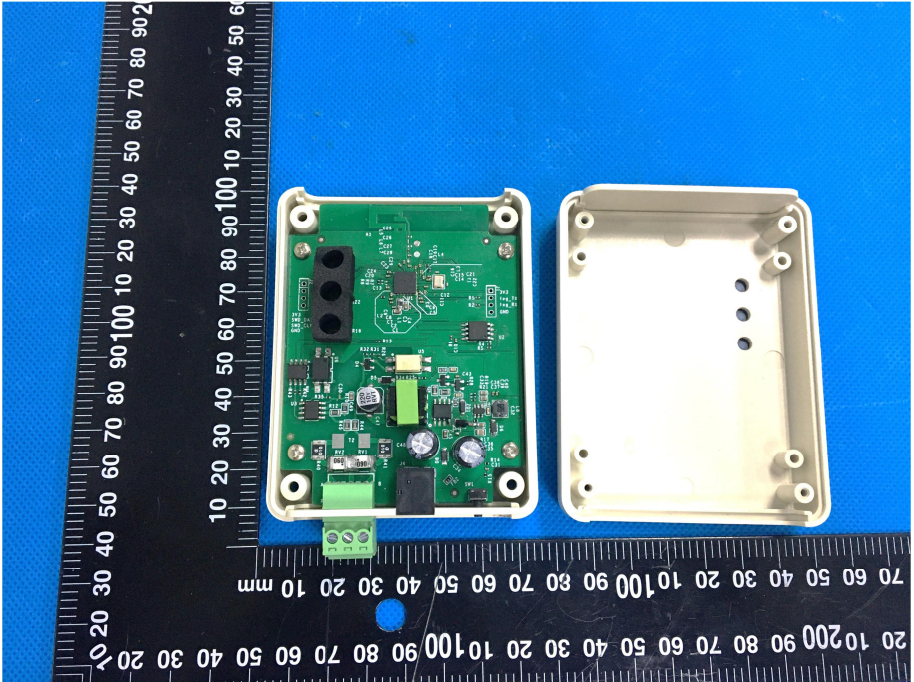

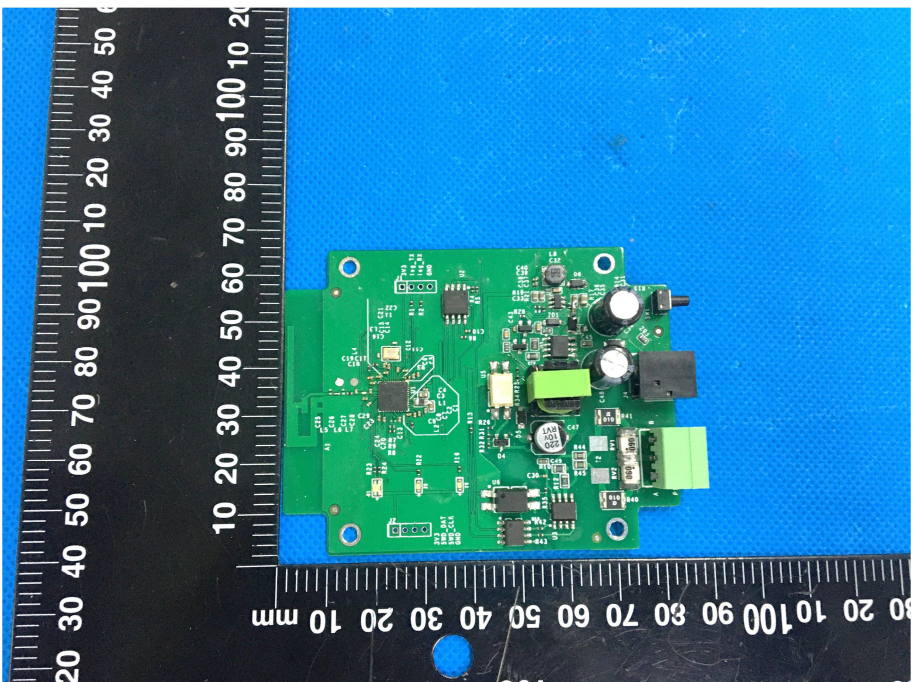

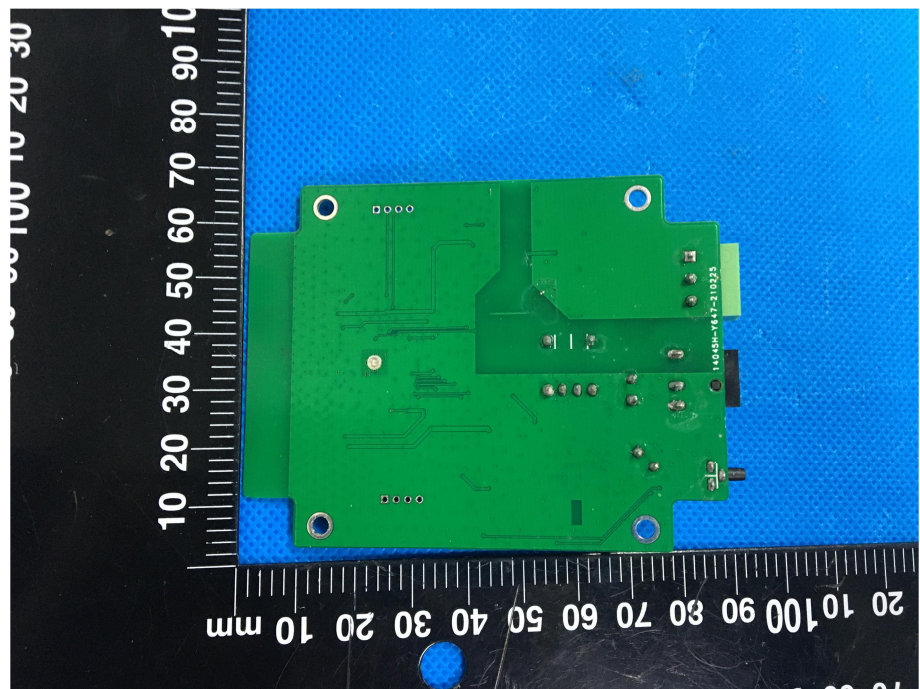

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the internal components of the EUT. On the left is a green printed circuit board (PCB) populated with various electronic components, including integrated circuits, capacitors, and resistors. To the right of the PCB is a white, rectangular plastic housing. Both components are placed on a blue background. A black ruler with white markings is positioned vertically to the left of the components, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
Solder Board-Component View 1	 A photograph showing a close-up view of the green PCB. The board is populated with various electronic components, including integrated circuits, capacitors, and resistors. A green terminal block is visible on the right side of the board. The board is placed on a blue background. A black ruler with white markings is positioned vertically to the left of the board, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
