Neuron-Spectrum-AM
FCC ID 2AZHPG05300

Neuron-Spectrum-AM NS-WF121 Module - Compliance to FCC 15.203

Both the Radio Module and the Antenna Assembly reside fully inside of the Host device and are not accessible externally. The Host device must be disassembled to access both the radio module and/or the Antenna assembly. The Antenna assembly connects to the radio module via a miniature "U.FL" RF connector. The Antenna specification was provided in a separate document.
