## Request for Class II Permissive Change

To whom it may concern,

This is a request to file a Class II permissive change for FCC ID: 2AZJB-SARFESP001.

The module has not been changed in any way from the original authorization.

This request is to permit usage of this module in a specific portable device, the SimulAlert badge.

We have performed an RF Exposure evaluation of the module in the portable device and re-measured the radiated spurious emissions and have found the module is compliant for usage in the SimulAlert Badge as a portable device.

Sincerely,

Signature:
