

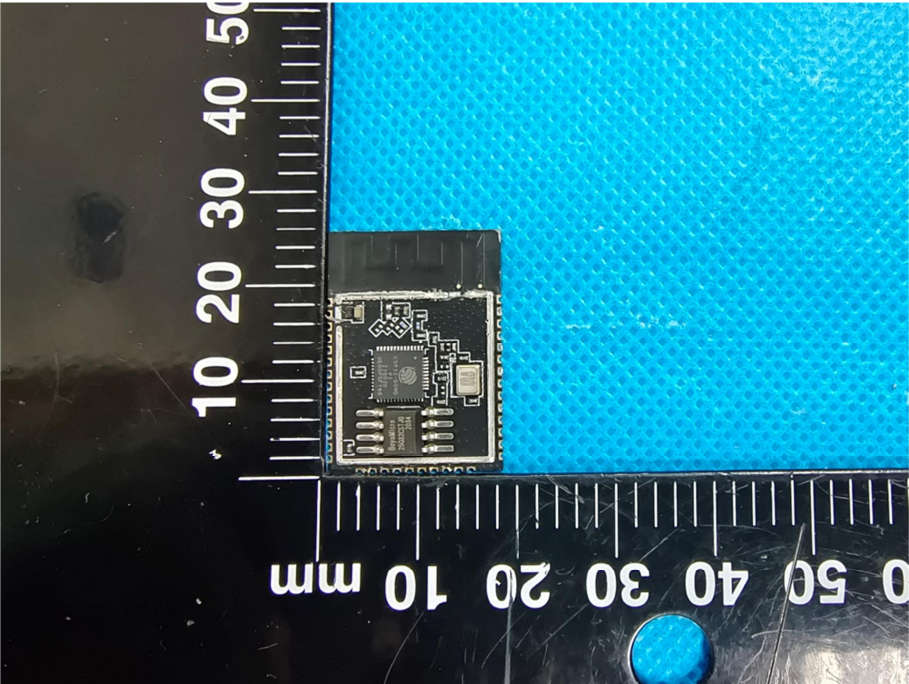

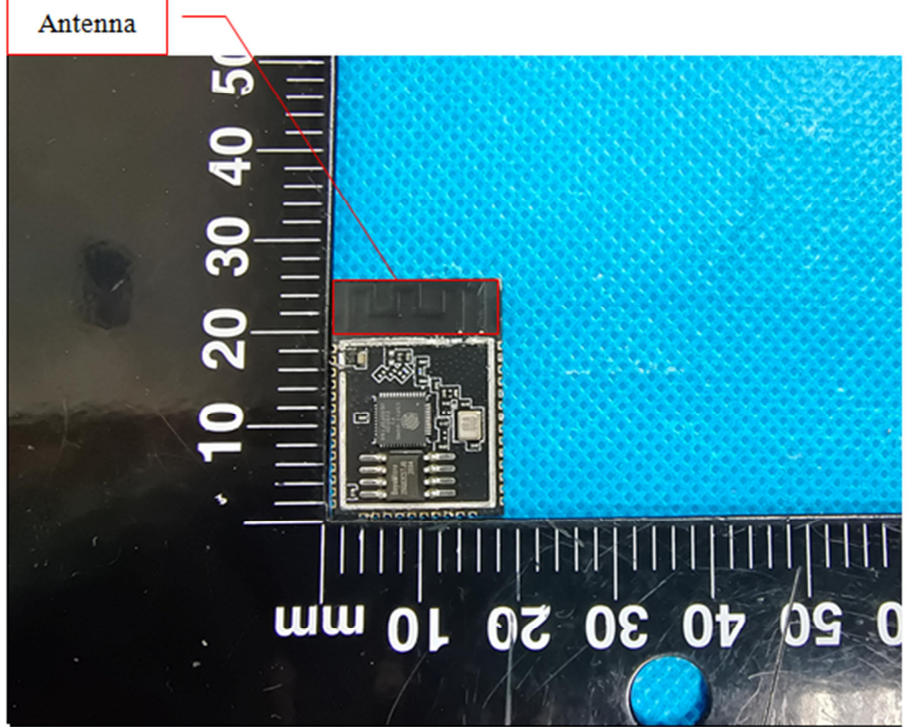

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

Solder Board-Component View 1	 A photograph showing a small electronic component, likely a SIM card, mounted on a black printed circuit board (PCB). The component is positioned next to a white ruler with black markings, indicating its size. The background is a blue textured surface. The component has a gold-colored contact pad on the left side.
Antenna View	 A photograph showing the same electronic component as in the first image, but from a different angle. A red box highlights the top edge of the component, and a red line points to it from a label "Antenna" in the top left corner. The component is positioned next to a white ruler with black markings, indicating its size. The background is a blue textured surface. The component has a gold-colored contact pad on the left side.
