

Test Positions

Front Side (Separation distance of 0mm)  A photograph showing the front side of a tablet being tested. The tablet is held in a white mechanical fixture with black adjustment knobs. The background shows a laboratory setting with white containers.	Back Side (Separation distance of 0mm)  A photograph showing the back side of a tablet being tested, similar to the front side view. The same white mechanical fixture and laboratory background are visible.
Top Side (Separation distance of 0mm)  A photograph showing the top side of a tablet. The tablet is dark grey with a small circular camera lens at the top center. The left edge shows some technical specifications.	N/A N/A
