

## Usage

On/Off: ①Step on the foot switch.

②Press switch button on the remote control .

CCT: Press the color temperature +/- button, short press is for grading dimming, long press is for stepless dimming.

Brightness: Press the brightness +/- button, short press is for grading dimming, long press is for stepless dimming.

## Matching

Make sure the remote control matches well with the lamp :

Plug the adapter to the power supply and use the remote to control the lamp.

Usually the remote controls the lamp perfectly.

If the remote control doesn't work for the lamp, please re-match them.

**WARNING:** This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

**CAUTION:** Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the distance between the equipment and receiver.

**The device has been evaluated to meet general RF exposure requirement**
