Product/ Model Number: **Pocket Ultrasound System / P50, P51, P52, P53, P54, P55, P56**

Regarding FCC Country Code Selection guidelines identified in KDB 594280 D02 U-NII Device Security v01r03

“All applications for equipment authorization for transmitters that can have radio parameters, or other technical parameters, reported to the Commission set by software must have an attestation indicating that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.”

We declare that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.
