

Justification for Re-use of radio test results

We, Beijing Kitten&Puppy Technology Co., Ltd., believe the conducted signal test data on original reports provided by Hangzhou Tuya Information Technology Co.,Ltd (Single Module,FCC ID: 2ANDL-WBR3) can be re-used for the following reasons:

1. Applicant has built in the radio module according to the specific radio module integration guides.
2. The applicant has not modified either hardware or software provided by the module manufacturer.

Test item	Rule Part	Report No.	Justification of re-use
BT + WIFI	CFR47 FCC Part 15: Subpart C Section 15.247	708881974877-00 708881974888-00	See above
