

433M transmitting antenna specification

Transmitting frequency: 433MHz

Antenna model: FR4

Antenna size: H=12.5MM,L=24.5mm

Manufacture: Guangzhou Shichao Electronic Co., LTD

Address: 55 Zhenmeixin Village Road, Shitan Town, Guangzhou, China

Antenna Gain: 0dBi

We statement that All measurements were performed radiated and therefore additional antenna gain documentation is not required.
