## EXHIBIT 1 - EUT EXTERNAL PHOTOGRAPHS

|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>EUT View 1</p> |  A black rectangular device is shown against a blue background. A ruler is placed vertically to the left of the device, and another ruler is placed horizontally below it. The device has several buttons: a power button, a 'M' button, a 'III' button, an 'EQ' button, and a microphone icon. Below these buttons are three larger buttons: a play button, a minus button, and a plus button. A small cable is coiled to the right of the device. |
| <p>EUT View 2</p> |  A black rectangular device is shown against a blue background. A ruler is placed vertically to the left of the device, and another ruler is placed horizontally below it. The device has several buttons: a power button, a 'M' button, a 'III' button, an 'EQ' button, and a microphone icon. Below these buttons are three larger buttons: a play button, a minus button, and a plus button.                                                    |

|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>EUT View 5</p> |  A black rectangular device, likely a portable electronic unit, is shown from a top-down perspective. The device has a textured black surface. On the top surface, there are several control elements: a small circular button with a power symbol, a small rectangular button with a play/pause symbol, a small rectangular button with a left arrow, a small rectangular button with a right arrow, and a small rectangular button with a plus sign. The brand name "MILITECH" is visible on the right side of the top surface. A wooden ruler is placed horizontally below the device, showing measurements in centimeters from 1 to 37. |
| <p>EUT View 6</p> |  A black rectangular device, similar to the one in View 5, is shown from a top-down perspective. The device has a textured black surface. On the top surface, there are several control elements: a small circular button with a power symbol, a small rectangular button with a play/pause symbol, a small rectangular button with a left arrow, a small rectangular button with a right arrow, and a small rectangular button with a plus sign. The brand name "MILITECH" is visible on the left side of the top surface. A wooden ruler is placed horizontally below the device, showing measurements in centimeters from 1 to 42.      |
