

Difference Statement

Model: RS-DW31, RS-DW32, RS-DW52, RS-DW63, RS-DW64

RS-DW31/RS-DW52/RS-DW63 is a monochrome remote control, RS-DW32/RS-DW64 is a two-color (can achieve three color temperature color) remote control. In addition, the PCB Layout and schematic design are the same. We chose RS-DW32 for RF testing.
